**How to Stop the Bleed - Call 9-1-1 - Ensure Your Safety - Look for Life-Threatening Bleeding - Compress and Control**

Last week we had an excellent meeting about how to handle bleeding. If you are be first on the scene of an accident or another situation, what do you do? Tourniquets and packing tape were covered with a lot of other information. Our presiding president was President Elect John Hartman who did an excellent job. He is photographed above with, left, Matt Stromberg of Medic One, and Medic Lieutenant Mike Reckline, who presented the program. Extremely informative with a lot of good questions from the attendees.

**THE FOUR WAY TEST  
OF ALL THE THINGS  
WE THINK, SAY, AND  
DO:**

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and better friendship?
4. Will it be BENEFICIAL to all concerned?

The meeting last week was filled with guests. Pictured above are Jim and Noreen Olszewski. It was their second visit to our club, (actually more if you count the Devout Social and wine paring dinners) and they arrived with applications for membership in hand! As the program was in the Trib/Star we had almost as many guests as members. I photographed Darren and Carrie Cook who contacted me through our Facebook page about attending, but a number of others walked in for the program. Darren is a security guard at Forbes (from England!) and Carrie, a hair dresser.

Our Facebook friends!
